Laguna Village Residences - this premium project is a continuation of the successful development and consists of only 16 private villas. The entire complex is under 24-hour surveillance and there are security posts. Each villa has a large swimming pool with a relaxing terrace, a private garden with a gazebo on the lake, a parking area for two cars, terraces on the second floor overlooking the lake and green areas. The Laguna area, where the complex is located, is a popular location for many travelers, so the villas have a high rental potential.
