The project is under the auspices of unification with nature; most of the green area has been preserved on the territory of the complex. Each villa has farm gardens on its roof. The villas are presented with 2-4 bedrooms on two floors. A health center, yoga and sauna, a cafe and restaurant, and a multifunctional hall are available on the territory of the complex. Pets are allowed to walk in the open area. Management services are provided, all villas are equipped with a smart door lock, and solar panels are installed on the roofs. 24-hour video surveillance throughout the entire territory.
