Villas for sale created according to a unique project in the new complex Pine Village - Authentic Resort & Spa concept. The superior Mediterranean design of country villas, combined with the best landscape design, create an atmosphere of unity with nature, while maintaining the privileges of proximity to the city and high-class comfort. The complex is located in one of the best regions of Montenegro - in the city of Budva, also known as the pearl of the Adriatic and the center of the Montenegrin coast. The villas have retained the spirit of the national style of Montenegro, and the design was done in accordance with modern architectural trends, taking into account the needs for a comfortable and unique lifestyle. The philosophy of the complex is aimed at introducing the concept of open space into urban life. The Pine Village - Authentic Resort & Spa concept has a protected landscaped area immersed in greenery and guarantees the privacy of a location where the splendor of nature is complemented by high service and a unique architectural solution for each villa. The infrastructure of the complex includes a private fitness and SPA, a sauna with direct access to a heated indoor pool, which turns into an open one in the private territory. The complex offers a panoramic view of the sea and the mountains. In addition, on the territory of Pine Village - Authentic Resort & Spa there are rare species of plants and streams of clean water around the villas. The reception and security of the complex for residents works 24/7. It has its own parking, outdoor cinema and barbecue area. The villa layout is designed for comfort and true enjoyment of life in Pine Village.
