Zagreb, Petrova - A four-room apartment with a closed area of 87 m<sup>2</sup> for sale, located on the third floor of a new building with an elevator, consisting of only 6 apartments, in one of the most attractive locations in Zagreb.

The apartment features a living room with a kitchen and dining area, three bedrooms, two bathrooms, a hallway, and a 6.96 m<sup>2</sup> balcony (3.48 m<sup>2</sup> net usable area). The property also includes a parking space in the courtyard of 12.50 m<sup>2</sup> (3.75 m<sup>2</sup> net usable area) on a modern lift platform and a storage room.

The building will be constructed as a reinforced concrete, earthquake-resistant structure, with thermal and sound insulation meeting the highest standards. It will be equipped with top-quality features such as a heat pump, Japanese-made air conditioning units in all rooms, premium flooring (first-class parquet and ceramic tiles), security doors, high-quality interior doors, and other high-end components of modern yet authentic construction for this microlocation.

The apartment's location is exceptional, just 100 meters from Petrova Hospital and a few hundred meters from Kvaternik Square. The proximity to tram transportation ensures excellent accessibility. The city center and Maksimir Park are less than 2 km away.

The planned completion and move-in date is June 2026.
