The three-storey, five-bedroom home showcases first-class architecture with stone and timber interiors. Thanks to floor-to-ceiling windows, the villa is filled with natural light and blurs the line between nature and home. The villa has a spacious living room where indoor space meets outdoor space, as well as a dining area and a modern kitchen. Three bedrooms, including the master bedroom, have sea views. There is also a staff room on site with a separate kitchen and bathroom.
