The AYANA Heights Seaview Residence project consists of several conominium buildings of different heights and spacious villas. The landscape of the central zone is centered around the pool. Natural smooth curves, a cozy green island in the center and unique seating areas create a comfortable atmosphere. The complex itself has a large amount of infrastructure, in addition to swimming pools, one of which is panoramic, you will find a cafe and restaurant, a library and co-working space, a gym, a tropical garden for walking and all this with round-the-clock video surveillance and security.
