The Canal Village concept is the main key of this project to give a feeling of fresh water and tranquility with high privacy. The project has 3 layout options with 2 and 3 bedrooms with an area of 268-460 sq.m. The design is in Thai-Balinese style with Thai interior decoration and a tropical garden. Baan-Pratum is located between Nai Harn and Rawai beaches, with many shops, restaurants, post offices, banks, a boat pier with access to all nearby islands and beaches, and many other commercial and public facilities.
