The villa consists of one-story pavilions with 4 bedrooms, a spacious living room with a modern kitchen and a large dining room. And all this is surrounded by lush gardens with palm trees, with a 15-meter swimming pool, which creates unobtrusive luxury and a unique atmosphere of peace and privacy. In 2017, the villa underwent a major renovation, and permission was obtained to build a 2nd floor in the rear building of the property. The villa is located a few steps from Natai Beach. Five-star resorts with excellent restaurants and bars are a few hundred meters away.
