The ideal location and incredibly beautiful greenery fill the complex with life and connect it with nature, which inspires and gives energy. The infrastructure of the complex ideally meets all requirements: there are beautiful walking alleys, a restaurant, a bar, an Ayurvedic center, a gym, a cinema, a roof terrace, a conference room, meeting rooms, children's play areas and a games area. The design of the complex uses completely natural materials - wood, stone and textiles, and the apartments can have a spacious living area or large balconies.
