A complex of modern stylish villas in the Choeng Mon area, located just a couple of minutes walk from the beach and close to several five-star hotels. The three Balian Villas are designed in Balinese style with Mediterranean influences, incredibly cozy and comfortable with ideally positioned bedrooms and large bright bathrooms, as well as a large living room with double lighting and a spacious terrace with a private pool, surrounded by tropical gardens. The interior of the villas uses natural materials and handmade decor items made by craftsmen from the island of Bali.
