Istria, Rovinj, renovated two-bedroom apartment on the second floor, located just 50 meters from Rovinj's main square.

This beautiful apartment in the heart of the city has an area of 59m² and consists of an open-plan living room and kitchen, two bedrooms, and a bathroom.

The apartment also includes an attic space of the same size, which can serve as storage or be converted into additional living space.

The apartment was renovated five years ago, during which the flooring and ceiling beams were replaced, and a window was added to the attic. The building's roof was renovated two years ago.

The apartment has a successful track record as a tourist rental, making it attractive as an investment or as a future home for a small family.
