Zagreb, Bukovac, Gospočak, four-room penthouse in a newly built NKP building, 135 m2. The apartment consists of an entrance hall with a staircase covered in stone, a guest toilet, a kitchen, a living room with a dining room that has access to a spacious semi-covered terrace, then a bathroom and three bedrooms. The apartment is well lit. From the terrace, there is a beautiful view of the entire city and nature, and from the bedrooms, large glass walls offer a view of the greenery. The apartment has two uncovered parking spaces in front of the building and a 20 m2 storage room in the basement. At the same time, it is well isolated from the hustle and bustle of the city, an oasis of peace in nature, but also excellent connections and proximity to public transport (bus stop nearby), school, kindergarten, playground, church, restaurants, shops and other amenities. I am available for all other information.
