Jesenice, a modern and contemporary building located on a plot of land of 305 m2, less than 100 meters from the sea.

It is divided into four floors.

On the basement floor, there is a room with an area of 37 m2, which can be a space for socializing/relaxation or a gym, and two parking spaces. The ground floor is divided into a kitchen with a dining room, a toilet, a utility room, and a living room with a floor area of 72.3 m2 with access to a spacious terrace with a pool of 83.20 m2. The first floor consists of a hallway, a bathroom, a laundry room, a storage room, and two bedrooms, one of which has its own bathroom, and both have access to a terrace with a view of the sea. The second floor is also designed for two bedrooms, two bathrooms and a terrace. The total area is 330 m2.

There is a wonderful view of the sea from all floors.

The building is sold completely finished, and the future buyer can influence all the steps of the arrangement.

I am available for any additional questions.
