A luxurious three-bedroom penthouse is for sale in Petrova Street, near Kvaternikov Square.

Located in a modern new building from 2024, this apartment combines top-notch architecture, contemporary design and high-quality materials. It is located in a quiet Zagreb block in the wider city center, making it ideal for family or business life.

The apartment consists of a spacious living room with dining room, modern kitchen, three comfortable bedrooms, bathroom, guest toilet and hallway. Additional value is provided by a large loggia that allows you to enjoy the outdoors in the privacy of your own home.

All rooms are equipped with an air conditioning system, and the heating is gas-fired. Exterior aluminum-wooden joinery, three-layer oak parquet, porcelain tiles, first-class ceramic sanitary equipment and stone slabs on the floors of outdoor areas ensure superior comfort and aesthetics. The smart management system further contributes to a modern and energy-efficient lifestyle.

The building is built with reinforced concrete construction according to the highest construction standards, and all floors are connected by an elevator. The underground garage is equipped with modern charging points for electric cars. A large garage parking space is available for an additional fee of €30,000.

This penthouse offers all the amenities of modern living in a quiet and well-connected part of Zagreb.
