school, golf club etc.

Located in the closed guarded area, a residential complex «Green Village» includes two types of objects of property: 7 cottages and 12 apartments in townhouses. Compact and hidden from prying eyes by forest and greenery, the village has an elitist character, granted by the small number of buildings around and by the low-rise size of the buildings.

The main features of the village:

- Security is provided to the villagers by the use of electronic surveillance systems and by the physical presence of security officers.
- The village is bordered with a forest, which was equipped to serve as an area for great picnics.
- In the administrative building for the villagers and their guests are situated hall for events (conferences, family celebrations), as well as a relaxation area (sauna and swimming pool).
- Handling company provides property management services, as well as providing 24/7 concierge service.
- In the village there are various sport and children's playgrounds.
- Concierge service.

In this listing for sale is offered a very spacious 2-storey single family detached house with an area 359.9 sq.m., with balconies and 2 car carport. This house is offered with full interior finishing and furniture.
