Commercial building in Purvciems, which is currently used as a shopping centre. The building was built in 2007 on a main road with good traffic flow. In a previous operation, the building was used as a building materials store, and later as a trading centre. Layout of the building allows you to change the business use without major reconstruction. Shopping center is on 3 floors and accommodates 7 stores, 3 shopping halls, 13 utility rooms and 2 offices. The building has its own convenient parking for 50 cars and access to commercial vehicles using a ramp.
