This magnificent classic Mediterranean style mansion has three floors, two of which can be rented out seasonally. On the ground floor, there is a spacious, bright living room with a fireplace and access to a large terrace and garden. The living room is connected to the dining room and there is also a door to a fully equipped kitchen with a large gas stove and built-in Siemens appliances. From the kitchen and dining room there are also exits to a shaded covered terrace, where there is a large wooden table for a pleasant meal in the bosom of nature with the whole family. The guest toilet is located next to the kitchen and hallway.

The ground floor also has a double bedroom with its own bathroom and an office. From this block there is access to a heated indoor pool with a glass roof, which you can enjoy all year round, ideal for families with children outside the summer season.

The second floor of this lovely home has three bedrooms, each with its own spacious bathroom, French balcony overlooking the green garden. The master bedroom also has a living room with a small kitchen and a fireplace, a separate dressing room and access to a solarium terrace.

A large number of utility rooms and a separate block for two independent apartments with its own kitchen, small living room, bedroom and bathroom make this house very convenient for a family with children and with service personnel, if necessary.

A large pool with a waterfall and a relaxation area around will give you the opportunity to enjoy the coolness of
