Çamlıvadi, the latest project located in the center of Istanbul. Living in the heart of nature with the concept of luxury is what we offer you at Çamlıvadi. Being a family concept and modern architecture with a new definition of luxury living, you will feel special. This project offers you the opportunity to merge with nature in the Belgrade forest. The construction company is Artaş İnşaat, which is the largest developer in Turkey. The project is located next to the Vadistanbul shopping center, the most popular and entertainment center of the city. Çamlıvadi is growing rapidly in a developing business and life center - the delivery of its apartments in September 2022. The project is located in the heart of transport accessibility, as well as in close proximity to Haray, which connects the TEM highway and metro lines. .

The project, located on an area of 117,000 m2, offers you a life intertwined with nature.
