Prčanj is a small, old resort town, which is located on the coast of the Bay of Kotor, a few kilometers from Kotor. Facades of once luxurious palaces and villas, surrounded by gardens and olive groves, overlook the embankment. The main attraction of the city is the Church of the Nativity of the Mother of God, which was built for 120 years - from the end of the 18th to the beginning of the 20th century. Panoramic views of the bay opening from the slopes are also of stunning beauty.
