UAE, Dubai

Price: € 400 000

Object type Apartment, Investment project, Commerce property

Market New building

Category For sale

Dubai is home to some of the most impressive architecture in the world. One of them is Dubai Creek Tower, which will become the main attraction not only of this area, but of the entire emirate. This tower broke all world records already at the foundation stage. This truly great structure will surpass the well-known Burj Khalifa by 100 meters and house a fashionable hotel, vertical gardens, restaurants and panoramic observation decks. In addition, the largest Chinatown in the Middle East will be built in Dubai Creek Harbor.

The new complex will give you the opportunity to enjoy a stunning panorama with a 360-degree view from one of the 10 highest observation platforms in the world. Time saving: important and popular sites are 10 to 20 minutes away. Infrastructure thought out to the smallest detail. Own gym, swimming pool, shopping center and separate parking in each residential complex.
