Project made up of 4 different models of Villas that offer the best of contemporary life, guaranteed by the high quality materials used. The excellently located project on top of the Quesada hill offers 530 m2 private plots with extensive gardens, large swimming pool, off-road parking and optional solarium to truly enjoy the breathtaking views. The Villas occupy from 160 m2 with 3 to 4 bedrooms and offer fully equipped en-suite bathrooms with Hans Grohe and Villeroy & Boch finishes. The kitchen is fully equipped with Siemens appliances. In addition, the villas offer features such as an ACS installation for renewable energy, an automatic door for vehicles, a charging point for electric vehicles, pre-installed fiber optic connection and pre-installation of air conditioning in all rooms. Located in the hills of Quesada, with views over the lagoon surrounded by orange and lemon trees. On the other side, it is pampered by the magnificent views of the 18-hole La Marquesa golf course in the valley. It offers easy access to various sports facilities, gym, spa, tennis and paddle tennis courts, as well as cycling and hiking trails. The ideal place for sports and beach lovers, located just a few minutes drive from the golf and country club and the blue flag beaches in the area.
