Incredible villa situated only 5 minutes drive from the center of Moraira! This villa consists of three bedrooms and two bathrooms, with plenty of additional space downstairs to convert it into a separate living space, also with an outstanding wrap around garden, filled with bougainvilleas, palm trees, stone footpaths, and graveled surfaces to keep the maintenance low. As you enter the property you will find yourself in the fully fitted kitchen which has all the appliances required with lovely white surfaces keeping it nice and bright, the great thing about the kitchen being the first space you enter is that the front door is situated next to the outside terrace/pool area, making it easy to access the kitchen from outside if you are entertaining around the pool area. heading inside from the kitchen you will find yourself in a wonderful sized living room with tall traditional beamed ceilings with large windows looking out to some spectacular views, where you can see as far as the Serria de Bernia and a lovely log fireplace, continuing on from the living space you will find yourself in the hallway where you will find 3 large bedrooms with fantastic traditional tiled light fixtures on the walls, a utility room and two bathrooms.
