This is the first complex under the brand located in Dubai. The project will be managed jointly with the Marriot international network.

The key feature of the project is its location in the middle of green spaces and parks. This is a modern residential complex, the construction of which uses exclusively environmentally friendly materials. Buyers are offered:

spacious apartments ranging from 232 to 333 square meters;

several unique penthouses with their own observation decks and terraces;

luxury mansions with an area of 3942-3975 square meters overlooking the Ras Al Knor Reserve.
