The location of the project is the province of Atasehir. This is exactly the place where the main highways E5 and E6 intersect. Nearby are Kadikoy, Uskudar and Umraniye. This and trouble-free transport hubs provide an opportunity to get to one or another point of the city in a short time. Atasehir has everything you need for business events, trade and entertainment. The facility becomes attractive to families due to the proximity of many health and education facilities. Luxurious housing with views of the beautiful surrounding countryside and the metropolis itself is abundant here and emphasizes the uniqueness of the project. As an internal equipment, there are: open and closed parking; security video surveillance 24/7; swimming pool under the roof and for children; gym with exercise equipment; hamam; places for children's games; walking areas; landscape areas.
