The project is located in the heart of the Atasehir district, where there is everything for the development of any commercial activity. High-speed routes running nearby allow you to get to any part of the city in a matter of minutes. The transport links between the districts of Kadikoy, Uskudar and Umraniye are constantly developing. The object can become an ideal place for family living. Within walking distance are medical centers, hospitals and educational institutions. Inside the complex there are landscaped areas and walking paths. The windows of the apartments offer a beautiful view of the city and its attractions. Without leaving your home you can see the Aidos Forest, the Sea of Marmara and the Princes' Islands. The internal infrastructure meets all the necessary requirements. Visitors and residents are waiting for indoor and outdoor parking lots, gyms, all kinds of entertainment services for both adults and children. The entire territory is under constant security control, and security is monitored by cameras.
