The project is located in the province of Istanbul - Atasehir, next to the main European roads E6 and E5. The proximity to the residential areas of Uskudar, Kadikoy, as well as good transport links make it possible to get to any part of the city quickly and without problems. The area has everything you need for commercial activities and a comfortable life. A large number of health and education institutions near the residential complex make it attractive for family living. The main distinguishing feature of the project is that from the windows of its apartments you can admire magnificent views of the sea, islands, city and forest. The internal infrastructure of the residential complex consists of: car parking; security of the object 24/7; permanent video surveillance; swimming pool for children; gym; hamam; sauna; playgrounds for children; landscape design; walking areas.
