The project is located on the territory of Ataşehir, in a place where the important city roads E5 and E6 pass. The residential complex is located near the territories of Kadikoy, Uskudar and Umraniya, and thanks to the easy transport connection, you can move to different places in the city. On the territory of Ataşehir there is everything for a comfortable life and doing business. Due to the huge number of educational and medical organizations, the project is attractive for families. A huge difference of this project is a large number of housing with an overview of the Princes' Islands, the Sea of Marmara, the Aidos forest and the urban part. The essence and structure of the project: a lot of parking spaces, round-the-clock security and surveillance, different types of pools, rooms with exercise machines, saunas, Turkish baths, playgrounds for children's leisure, walking and landscape places.
