The facility is located in Atasehir district, at the intersection of E5 and E6 roads. Since the project is located near the main roads, there are no problems with transport. You can quickly get to the nearest settlements located nearby. Ground transportation can be reached to the desired location. The complex is designed for the development of business or leisure industry. There are many schools, kindergartens, a hospital within walking distance, this area is suitable for families with children or newlyweds. The big advantage of this complex is the landscape from the windows. Most of the windows overlook the extraordinary beauty of the island, the quiet and calm sea, which is fraught with so many secrets, and the crowns of trees from the immediate surroundings. This alluring beauty captivates the eye. There is parking, which is divided into open and covered, security, which works around the clock and monitors what is happening on CCTV cameras. There is a children's pool, gym, Turkish bath, walking paths and playgrounds.
