Near Ataşehir, right at the crossroads of key highways, numbered E6 and E5, a new real estate project is starting. Kadıköy, Ümraniye and Üsküdar are close by and connected by new transport links, which allows you to quickly move to any part of the city. In the central part of Ataşehir one can find the conditions for creating any activity, including labor, business, trade and even entertainment. The object is also made attractive by the numerous medical and educational institutions that are in close proximity, so the most favorable conditions have been created for families. There is a large number of typical apartment areas with beautiful views of the Sea of Marmara, the Princes' Islands, Aidos Forest. Inside, the infrastructure of this project has both open and covered parking, 24-hour security and video surveillance cameras. Nearby are: indoor / playground and swimming pools, gyms, saunas, Turkish baths, walking and landscaped terraces.
