Buying property in Bagcilar is the right, affordable investment for those who want to be within the reach of infrastructure, and at the same time close to offices, shopping centers, and of course close to the central part of Istanbul. The residential complex offers its customers comfortable conditions for living and working, thanks to its favorable location in relation to infrastructure. Within walking distance, there are two metro stations that promptly deliver people to the necessary points of the city, there is also a transport interchange with access to the O-3 and O-7 highways, which allows you to drive freely. The residential complex is located in such a way that the hospital, the shopping center can be reached on foot in 10 minutes, and educational institutions are 2 kilometers away, a huge plus is the proximity to the airport (only 27 km). The complex occupies 1700 sq.m, most of the territory is reserved for green spaces, and flower beds, and outdoor recreation areas. The residential area has a total of 50 apartments, 4 on each floor, and an area of up to 196 sq.m with a unique layout. The complex also has its own parking for cars, a playground, a children's playroom, a fitness center with a bathhouse and a sauna, sports fields for volleyball and basketball.
