The LCD is located in an area called Bagcilar (this is the European part of Istanbul). All infrastructure facilities important for local residents and visiting guests are available. A couple of metro stations were built within a radius of 1 km from the residential complex. In the immediate vicinity there is a transport interchange, which implies an exit to the O-3 and O-7 highways. To get to the nearest shopping center, you need to spend only 10 minutes, walking at a leisurely pace. The clinic is located at a distance of 2 km. There are also educational institutions in the area. The airport is located 27 km from the residential complex. The object itself is located on a vast territory of 1700 sq.m. There is only one residential building. Approximately 550 sq.m. were allotted for green spaces. The residential complex boasts a large covered parking, a fitness center, a sauna and a Turkish bath, and a Playstation game room. On the territory there are equipped playgrounds where you can play football and basketball, places for hiking and recreation, children's play areas. The total number of apartments in the residential complex is 50. There are four of them on each floor. The layout of the apartments is the same: 3+1. The area of each apartment is 196 sq. m.
