In Istanbul, in the Bagcilar district, there is a picturesque complex with all the necessary facilities. There are metro stations within walking distance. In the vicinity of the complex there is a transport interchange with which you can go to the main roads O-3 and O-7. The trading house is a 7-minute walk, the nearest medical facility is located two kilometers away, the residential complex also has schools and kindergartens. The residential complex is located on 1700 square meters and it is all one large residential building. 550 square meters are reserved for landscaping and gardening. There is ample covered parking. There is a fitness center which is equipped with a Turkish bath and sauna, you can spend time playing games on the Playstation. In the area, outdoor playgrounds for ball games have been thought out, there are football and basketball courts. Large playground for children with safe equipment. Despite the large area, there are 50 apartments in the building, 4 apartments per floor. The apartments have an area of 196 square meters and are built according to the same 3 + 1 layout.
