This modern complex is of great interest both for investors and for those who decide to permanently reside in Turkey. It is located in the heart of Istanbul, which guarantees comfortable conditions for the whole family. You can walk to the subway or school. The object was built in the heart of the prestigious Levent district, where the commercial and business life of the metropolis is concentrated. There are branches of many banking institutions, large shopping malls (Zorlu, Istinye Park), beauty salons, hospitals, cultural, educational institutions, sports and entertainment centers. On the territory of the complex, the advantages of city life are combined with the opportunity to be in nature. The object is surrounded by picturesque forests, where you can relax from the daily hustle and bustle. The area of the object reaches 103 thousand square meters. m. It is divided into 16 blocks and has more than a thousand apartments of different types (from 1 + 1 to 5 + 1). Some of them have access to the terraces. Also on the territory of the complex are several dozen commercial premises. And finally, one more interesting point. The houses are surrounded by beautiful orchards, from which you can freely harvest.
