The Levent district is distinguished by a developed infrastructure, a central location close to both historical sights (Zorlu and Istinye Park), as well as shopping centers, office buildings, schools and transport stations, banks, beauty salons, medical institutions and entertainment places. You can buy real estate in this place for the purpose of investment, or obtaining citizenship. In the very center of Istanbul, in Levin (the business and commercial center of the city), there is a residential complex, the concept of which is "life in nature, in the center of a modern metropolis." The project was created in such a way that everyone living in the complex will be able to feel the freshness of the coniferous trees of the forest, around a modern, rapidly developing infrastructure. The luxurious project of a residential complex covers an area of more than 103,000 square meters. m, high-quality and ultra-modern 16 blocks accommodate 1000 apartments and luxury apartments with a layout of 1 + 1 or 5 + 1, some with large terraces. Also in the complex there is an opportunity to buy commercial property - 40 premises. Real estate in Levent is distinguished by its luxury, wealth, which are successfully combined with modernity and the beauty of nature. It is worth noting that the complex has its own garden with many fruit trees, from which you can harvest during the season.
