This modern residential complex, built in European style, is located in Esentepe (Istanbul). The densely populated area of Kartal is located very close. The territory of the facility is equipped so that residents of a busy metropolis can relax in nature. There are many green areas, walking paths, playgrounds for children, and even artificially created reservoirs. Another indisputable advantage of the complex is a good transport location. From here on the E-5 motorway, you can easily get to any corner of the city. And the nearest metro station is just a few minutes walk. The developed infrastructure of the area guarantees a comfortable life. Near the object there are educational and medical institutions, shops, shopping malls, restaurants and much more. The total area of the complex is about 40 thousand square meters. m. The object includes 12 residential buildings. The number of apartments is 865. Apartments with a layout of 1 + 1 are distinguished by modern design and a high level of comfort. Each house has shops and cafes. The complex has ample parking. Active guests can use the swimming pool and gym. A visit to the sauna will help you relax after a busy day. The excellent location and developed infrastructure of the facility attract investors, as well as people who want to settle in a beautiful comfortable place.
