The residential complex is located in the Esentepe area not far from the rapidly developing, lively Kartal area. The complex is the embodiment of the best examples of European architecture. Despite the fact that it is located in a metropolis, its territory is decorated with the preservation of the natural landscape. There are a large number of green spaces, specially designated recreation areas, walking areas, decorative ponds, playgrounds, etc. It deserves special attention due to its convenient location. Nearby there is an exit to the E-5 highway, along which it will not be difficult to get to any part of the area. There is also a metro station within walking distance. Near the residential complex there are medical institutions, schools, kindergartens, shopping and entertainment centers, cultural and leisure institutions. The area occupied by the residential complex is 40 thousand square meters. meters. The complex itself includes 12 buildings with 865 luxury apartments. For the convenience of residents, the layout of the apartments is carefully thought out and cozy balconies are provided. Cafes and shops are located on the ground floor of the buildings. In addition, the complex has ample parking. For sports lovers and those who are trying to keep fit, there is a swimming pool and a gym. A sauna will help you relax and unwind after a busy day at work. The convenience of the location of the complex, as well as carefully thought-out layouts make it attractive in terms of investment. At the same time, it is an excellent option for permanent residence with the whole family.
