If you want something special and not to go far from the city center, then this residential complex is exactly what you need! The building is located in the Essentepe district of Istanbul, very close to the adjacent Kartal district. Architects and designers have designed this architectural masterpiece with great care, taking into account the peculiarities of the city. Although this object is located in noisy megacities, its courtyard was created in accordance with the natural environment - there are picturesque corners for recreation and walks, an artificial pond, children's playgrounds and sports grounds. Note the excellent location of the complex. Very close to E-5 which makes any area closer. There are several hospitals nearby as well as educational institutions if you want to send your kids to school or college. The metro station, located within walking distance, allows you to quickly get anywhere in Istanbul. The complex is located on an area of almost 40 thousand square meters. m., it is designed 17 residential buildings. 865 apartments with a high level of comfort offered at the facility. Apartments 1 + 1 have a cozy balcony, all the details are thought out in order to live comfortably. Our new residential complex will become a haven for those who want to relax after a long day of work or school. Residential project with a large parking lot, which is great for residents. You can exercise in the gym and indoor pool. The sauna will help relieve stress after busy days. The complex is an investment opportunity as it offers a convenient location, extensive planning options and comfortable permanent living.
