This residential complex has an unusual architecture, which attracts special attention. The object is located in a decent area called Demirtas. It is worth noting that the territory of the residential complex is considered calm and cozy, and there are also retail outlets that will make living comfortable for any resident. The location of the complex is quite good, a few kilometers to the airport, and a little more than two kilometers to the coast. The property developer offers more than 60 apartments with a layout from 1 + 1 to 4 + 1. Comfortable and affordable property for rent in a fine finish with a kitchen where everything is equipped. The apartments also have spacious balconies. In the LCD area, everyone will find a job and be able to relax. For example, meetings with business partners are organized in special meeting rooms, and go in for sports in a sports club. Also for residents of a luxurious residential complex is offered a large cinema and other entertainment. Demirtas has especially thought of entertainment for young residents. For children, there are playrooms, safe playgrounds and even a separate pool. On the territory it is easy to organize a picnic with a large company and it is allowed to use special barbecue equipment. And after a pleasant pastime, you can take part in sports games on a separate site.
