We present you a new project, whose construction was completed recently in the heart of the European part of Istanbul, in the Sisli district. The residential complex will give absolute comfort to its residents. Apartments with layouts from 1+0 to 4.5+1 and area from 45 to 240 sq m have a spacious balcony or terrace (depending on the floor). The lobby on the ground floor will provide the comfort of a five-star hotel. Residents of the complex can also visit the outdoor or indoor pools, visit the gym and spa, play tennis on the court or organize a party in specially designated areas. A huge plus is the presence of a park within walking distance of the project. The location of the object is perfect. 5 minutes to Taksim and Besiktas areas, 10 minutes to Mecidikoy and Nisantasi areas.
