The residential complex is located in the Bagcilar district of the European part of Istanbul. For its residents, all important infrastructure facilities are nearby. There are two metro stations within a kilometer of the facility. Nearby there is also a transport interchange with an exit to the O-3 and O-7 highways. The nearest shopping center can be easily reached on foot in 10 minutes. The distance to the hospital is two kilometers, and there are also educational institutions in the area. The distance to the airport from the residential complex is 27 kilometers. The facility occupies an area of 1700 square meters and consists of one residential building. 550 square meters are reserved for green spaces. The residential complex has a large covered parking, a fitness center with a Turkish bath and a sauna, a Playstation room. On the territory there are playgrounds for football and basketball, a children's playground, places for outdoor recreation. There are only 50 apartments in the residential complex. They are located four per floor. The apartments have an identical layout 3 + 1 and an area of 196 square meters.
