The green district of Bahcesehir, located in the European part of Istanbul, is unique in that it combines the fast pace of life in a metropolis with closeness to nature. There is a park or square on every corner, and from the windows of the object there is a beautiful view of the lake and the Sea of Marmara. From the area you can get to anywhere in the city. In a matter of minutes, you can reach the TEM or E5 highway. The nearest metro station is located one kilometer from the apartments. The area has developed civil infrastructure. Numerous public and private hospitals and schools. There are also two large shopping malls nearby. The development is carried out on an area exceeding 10 thousand square meters. A large proportion of this land is allocated for landscaping and parks. 140 apartments with layouts from 2+1 to 4+1 are available for purchase, including duplexes. For a large family, a 5 + 1 layout is suitable. From the balconies of the apartments you can enjoy a beautiful view. Many properties also have their own small gardens. Near the object there is everything necessary for leisure and active recreation. There are playgrounds and picnic areas on the territory. For sports lovers there is a basketball court and a football field, as well as a gym will help to put the body in order. The first floors of the buildings have small shops and cafes. For relaxation, there is also a sauna and a Turkish bath. Now Bahcesehir is actively developing and building up and growing. Large-scale projects are being built nearby, such as the Istanbul Canal. The cost of real estate in the area is constant, so the purchase of apartments in this project is a promising investment in the future.
