The location of the complex is Bahcesehir, one of the prestigious districts of Istanbul. This part of the city has everything you need for a comfortable life - beautiful green streets, developed infrastructure, cultural and educational institutions. Another advantage of the facility is good transport accessibility. From here it is convenient to go to the TEM motorway. There is a metro station very close. Airport them. Ataturk is only 15 kilometers away. In the vicinity of the complex there are many cafes and restaurants where you can taste dishes for all tastes. Shoppers will also be pleased. After all, there are several large shopping centers nearby. Everything on the territory of the complex is thought out to the smallest detail, so there will be no problems with leisure. Extensive green areas are ideal for outdoor walks. And if you wish, you can have a picnic in specially designated places. In hot weather, it is possible to have a great time in the outdoor pool, near which there is a relaxation area with umbrellas and sun loungers. In addition, the facility has a sports and children's playground. There is also a good internal infrastructure: sauna, SPA, fitness, playroom for children. The complex includes five residential buildings. Near them are two-story villas. Layout options - from 1 + 1 to 3 + 1. The interiors of the rooms are decorated in light shades. All apartments have spacious terraces or balconies with stunning city views. The layout of the villas is two-level, each of them has a separate exit to the garden.
