The residential complex is located in one of the prestigious districts of Istanbul, Bahcesehir, which pleases with wide green streets, social infrastructure, cultural institutions and many other facilities necessary for a comfortable life in the city. Thanks to the convenient access to the TEM motorway, the area has excellent transport accessibility. The metro station is within walking distance. Ataturk Airport is located at a distance of only 15 kilometers from the residential complex. Near the object there are many catering establishments where you can enjoy dishes of various cuisines. Since there are several large shopping centers near the residential complex, there are extensive opportunities for shopping. The territory of the residential complex is thought out to the maximum. It has everything you need for relaxation - green areas with equipped places for barbecues and picnics, an outdoor pool, next to which there are sun loungers with umbrellas. Residents with children do not need to leave the territory, as there is a wonderful playground for the little ones. Sports enthusiasts will certainly enjoy the well-equipped sports ground. Also in the internal infrastructure there is a sauna, a fitness center, a SPA-salon, a children's playroom. The residential complex includes 5 buildings, the height of which does not exceed five floors, and two-storey villas are located nearby. Layouts from 1+1 to 3+1. The apartments have spacious terraces and view balconies. As for the villas, they have a layout on two levels and their own exit to a cozy garden. The design of the residential complex is made in bright colors.
