The building complex is located in the Turkish city of Istanbul in the Tarabya quarter, Sariyer district. This is the European part of a populous metropolis. Elite object is located near the coast of the Bosphorus. Residents of the residential complex at a slow pace in 20 minutes can walk to the Tarabya quarter and take a walk along the embankment. Also within walking distance from the residential complex are green walking areas. Just ten minutes and everyone will be near the Emirgan grove. The presence of green areas and excellent transport interchange makes the residential complex even more attractive. Just five minutes from the complex is a metro station. Residents of the area can boast of the presence of fresh air and urban comfortable life. On the territory of the residential complex there is a hospital, two shopping and entertainment centers where you can spend whole days buying a variety of things and trinkets. The building site is all green. There is a secondary and primary school, a kindergarten, a playground for kids. Residents of the complex have the opportunity to go to the pool, which is located in the open air, visit the jacuzzi, fitness center, and sauna. Everyone can play billiards, tennis and other games. The residential complex has 255 apartments. Many of the apartments are represented by a duplex layout. These are two-story houses equipped with large spacious balconies, huge windows and modern renovation.
