The complex is located in Istanbul, the prestigious district of Kadikoy. The facility has all the conditions for comfortable work and business. This type of real estate is made in a family concept. Here are office premises, a shopping and entertainment center and 5 high-rise buildings, in which apartments of various layouts and areas are located. A convenient location will appeal not only to drivers of personal cars, but to pedestrians. The Eurasia Tunnel is a short drive away. Thanks to this, you can easily drive to the European district of the city. Nearby there are public transport stops. Buses run here, there is a metro and a metrobus. The Kadikoy district is distinguished by a developed infrastructure that provides comfortable living and recreation. Nearby are kindergartens, secondary schools and universities. There are also hospitals within walking distance. High-rise buildings are made in a modern style. They have become a real decoration of the area. The territory of the complex is equipped rather non-standard. Landscaping and vertical gardening were used here. The complex offers modern apartments of different layouts and sizes. Apartments can have one or more balconies. Panoramic windows offer a beautiful panorama of the city. The facility has several swimming pools, a sauna, a spa, a chic restaurant, a gym and a beautiful garden. In addition, it has its own kindergarten, parking and recreation area.
