The modern facility is located in Istanbul, Kadikoy district. There are six blocks on its territory. Each of them has 24 floors. In addition to luxury apartments, there are commercial and office premises. The total area of the project is 26 thousand square meters. The landscaped area is immersed in greenery. Ornamental shrubs, flowers and trees grow here. This is the largest project in the area. The architecture of the building and the design of the premises are thought out to the smallest detail. The owners of the apartments will be able to lead a luxurious lifestyle. Baghdad Avenue is a 10-minute walk away. It is in this place that the best boutiques, restaurants and nightclubs are concentrated. The residential complex has become a highlight of the Kadikoy area. It stands out against the background of other buildings, attracts the attention of tourists and passers-by. Multifunctional facility offers a carefree life and relaxation. There is a sandy beach nearby. Separately, I would like to note the developed infrastructure. Within walking distance there is a metrobus, metro, a hospital, private and public hospitals, a sea pier, a river station, shopping centers, secondary schools, universities, squares and parks. In total, 1.5 thousand luxury apartments of various layouts are presented for sale. Their area is 57-296 square meters. All apartments have classic or garden terraces. There is a kindergarten on the territory of the residential complex. There are several indoor and outdoor pools. Comfortable loungers are provided next to the pools. Residents can leave their personal car in a guarded parking lot. In addition, there is a chic restaurant, a cozy cafe, a massage room, a hypermarket, a sauna and a gym. The territory of the complex is fenced and is under round-the-clock security. For maximum security of residents, video surveillance is installed. Living in apartments of this type will be a pleasure. The residential complex is designed for a carefree and luxurious life.
