On the territory of a modern residential complex there are six residential blocks. Each block consists of 24 floors. There are not only residential apartments, but also commercial and office premises. Buying space will be a great investment. The total area of the site is 26 thousand square meters. The residential complex is located in Istanbul, Kadikoy district. This prestigious area has everything you need for comfortable living and recreation. The facility is the largest project in the area. The unique architecture and modern design attract attention. This complex is designed for a comfortable, luxurious life. All details are thought out to the smallest detail. Nearby are all the necessary infrastructure. The territory of the residential complex is surrounded by greenery. There are many ornamental shrubs and exotic flowers. Baghdad Avenue is a 10-minute walk away. This place has chic boutiques, nightclubs, many restaurants and cafes. Everyone will find where to relax or buy the necessary goods. The design of the residential complex is concise, made in a modern style. The approach is simple, but as functional as possible. This ensures a comfortable life in the area. It is important to note the developed infrastructure. Nearby there are metro and metrobus stations, several state clinics, a pier and a river station, shopping and entertainment centers, universities, many chic parks and squares. The number of apartments is 1500 pieces. There are completely different layouts and areas. You can buy an apartment from 52 to 330 square meters. Each apartment has a classic or garden terrace. Panoramic windows of the apartments overlook the picturesque seascape. On the territory of the residential complex there is a sauna, a beauty salon, a kindergarten, several indoor and outdoor swimming pools, a parking lot, a chic restaurant, a cafe, a gym. For residents there is a supermarket, a massage room and much more.
