The complex is located in Istanbul, the elite district of Kadikoy. There is only 1 building on the territory of the residential facility. It is made in a unique design, so it attracts the attention of passers-by and tourists. The residential complex has become a real highlight of the area. Beautiful squares and the embankment are just a three-minute walk away. All apartments have panoramic windows that offer a picturesque panorama of the sea and Istanbul. Shops, boutiques and restaurants are within walking distance. Metrobus also runs nearby. Residents of the Kadikoy area can easily get to anywhere in the city, because there is an excellent transport interchange. Nearby are shopping centers and cultural institutions, secondary schools, universities, hospitals and hospitals. The residential building consists of twelve floors. There are apartments of different sizes, layouts and areas. LCD offers to buy apartments 105-402 square meters. There is a large swimming pool for adults and a heated children's pool on site. There are comfortable sunbeds next to the pools. Residents of the complex can relax on the sandy beach or by the pool. A lot of greenery grows on the territory of the residential complex. There are ornamental shrubs, flowers and exotic trees. There is a three-storey car park on site. Here there is enough space not only for the cars of residents, but also for their guests. There is a medical center on the territory of the complex. The luxury complex is located next to the beach. The apartments offer a beautiful view of the Marmara Sea. Thanks to this, the object is considered an excellent investment. The residential complex is made in a family style. At the same time, it is distinguished by the most convenient layout, which will provide the most comfortable living, regardless of the time of year.
