The residential complex is part of the Kadikoy district, which belongs to the Asian region of Istanbul. The facility is located next to Baghdad street. It is known for the fact that there are many prestigious restaurants, fashionable shops. LCD consists of only 1 building. The original style of this apartment stands out from the rest in the Kadikoy area. The project is located in a green area - there is a park and a promenade nearby. From the windows of the complex you can see the Sea of Marmara. Such panoramic views will delight with their beauty, give inspiration. After walking for a few minutes, you can visit your favorite shops, prestigious restaurants and enjoy interesting leisure activities. Bus stops are within walking distance. Transport is well organized. Nearby are: shopping centers; cultural places; educational institutions of different levels; several hospitals. The residential complex consists of 12 floors. Buyers have the opportunity to purchase apartments with a layout that starts from 2 + 1 and ends with 4 + 1. The total area is - from 105 to 405 square meters. On the front side of the object there is a swimming pool, it is under the sky. Near such a place, everything is equipped for a comfortable stay - a wooden canopy, sunbeds. To restore strength, it is enough to leave the house and visit the beach area, which is included in the residential complex. No need to waste time on the road! There are a lot of plants in the area. There is a large car park that spans 3 floors. This scale is quite enough for all car owners in this building. There is also a health clinic on site. The residential complex is a very attractive object for investors. The main advantages are a good location, close to the beach, a beautiful view of the Marmara Sea.
