Elegant. Ideal for families. Surrounded by a rich green area - this is how developers present their project. This residential complex is located in the Khalkaly microdistrict, Kyuchukmece, the European part of the city. The territory here is developing very rapidly and is also rapidly populated. A developed transport network connects Halkali with the whole city, and you can get to the Basaksehir and Bahcelevler areas as quickly as possible. The TEM highway also passes close to the object. To the airport - 20 min. The concept of the project is an ideal place for families as well as for investors. The internal infrastructure is thought out to the smallest detail. Here everyone will find something to their liking. Convenience stores, a shopping center, restaurants, cafes, household services, walking areas, and even an amusement park for children and adults. The territory of the complex is huge! 550,000 sq.m.! In addition to social infrastructure facilities, there are 137 residential blocks: more than 2,200 apartments, layouts from 1 + 1 to 4 + 1. In addition, the developer offers to buy 70 villas.
